

CCTV Policy

We are registered with the Information Commissioner Office as a data controller under the Protection Act for the use of CCTV. CCTV is in operation on the premises throughout the upstairs sports hall, front hall downstairs, downstairs function room, bar and at all access points outside of the club and the main car park. The purpose of the system is security of the building and to protect our members. The chairperson, vice chairperson and secretary only have access to these recordings.

If you have an issue regarding our CCTV please contact the club secretary
